

An ambitious data analyst with strong hands-on experience gained through internships and academic projects in data cleaning, analysis, dashboard creation, and KPI reporting. Skilled in using SQL, Excel, Power BI, Tableau, and Python to analyze large datasets and generate meaningful business insights. Experienced in presenting data findings clearly and collaborating with teams to support informed decision-making.

SKILLS

Programming	Python, R (Basic), Java (DSA)
Databases	SQL (Joins, Subqueries)
Data Analysis	Data Cleaning, Data Validation, Exploratory Data Analysis (EDA), Statistical Analysis, KPI Tracking
Visualization & BI	Power BI (DAX, Data Modeling), Tableau, Looker
Spreadsheets	Advanced Excel (Pivot Tables, Power Query, VLOOKUP, Macros/VBA – Basic)
Big Data & Distributed Systems	Apache Spark (PySpark – academic), Hadoop (HDFS – basic concepts), HBase (basic), Scala (basic)
Libraries	Pandas, NumPy, Matplotlib, Seaborn
Tools	Git, Tableau Prep, AWS (Basic), OpenCV
Soft Skills	Stakeholder Communication, Business Reporting, Insight Storytelling

EXPERIENCE

Data Analyst Intern <i>Velozity Global Solution</i>	Jul 2023 — Aug 2023 <i>Remote</i>
- Analyzed and validated large datasets (100,000+ records) from multiple sources to ensure data accuracy, integrity, and consistency - Built interactive dashboards using Power BI, Tableau, and Excel to track and monitor 5+ key business KPIs - Automated recurring reports using Excel Power Query, reducing manual reporting effort by 40% - Delivered actionable insights to cross-functional stakeholders, enabling faster data-driven decision-making - Documented data workflows, validation checks, and reporting logic to improve data reliability and maintainability	

TRAINING

Mastering Data Structures and Algorithms: Theory to Practice <i>Lovely Professional University (LPU)</i>	Summer 2024 <i>Online</i>
- Completed an intensive summer training program focused on core Data Structures and Algorithms, covering arrays, linked lists, stacks, queues, trees, graphs, recursion, and dynamic programming. - Solved 150+ practice problems and implemented key algorithms in Java to improve coding accuracy and execution efficiency. - Gained hands-on experience translating theoretical concepts into practical applications, improving algorithmic thinking by 40%.	

PROJECTS

Driver Drowsiness Analysis Project <i>Python, OpenCV</i>	Feb 2025 — Apr 2025
- Analyzed video-based behavioral data to identify fatigue patterns and potential risk indicators - Processed and cleaned large volumes of image and time-series data to prepare datasets for analysis - Generated performance metrics and analytical insights to support safety-focused decision-making - Identified key fatigue indicators by analyzing behavioral patterns across multiple driving sessions	
Airbnb Booking Analysis Dashboard <i>Excel, Tableau</i>	Oct 2024 — Nov 2024
- Built an Excel dashboard analyzing 10,000+ booking records using charts, filters, and aggregations - Identified seasonal demand patterns and pricing trends, uncovering demand spikes of up to 35% - Enabled property managers to explore occupancy and pricing patterns using interactive filters, resulting in 20% faster decision-making	
Movie Review Sentiment Analyzer <i>Python, NLP, Scikit-learn</i>	Jan 2024 — Mar 2024
- Developed a sentiment analysis model for movie reviews using NLP techniques and machine learning algorithms. - Achieved 88% accuracy using TF-IDF vectorization and Logistic Regression. - Processed and cleaned 50,000+ text samples to improve model performance and reduce noise.	

CERTIFICATIONS

SQL (Intermediate & Advanced), HackerRank	Feb 2025
Excel Skills for Business, Coursera	Dec 2024
Data Analysis with Tableau, Coursera	Nov 2024
Cloud Computing, NPTEL	Oct 2024
Supervised ML: Regression and Classification, Coursera	Nov 2024
R Programming, Coursera	Dec 2024

EDUCATION

Bachelor of Technology in Computer Science and Engineering <i>Lovely Professional University, Punjab, India</i>	Aug 2022 — Present
CGPA: 8.33	
Intermediate (Class XII) <i>Woodland Academy, Gorakhpur, Uttar Pradesh</i>	Apr 2020 — Mar 2021
Percentage: 80.4%	
Matriculation (Class X) <i>Aatmdeep Academy, Gorakhpur, Uttar Pradesh</i>	Apr 2018 — Mar 2019
Percentage: 81.6%
